

3/4/15

My name is Dawn VanTassel
& I have lived in the town of Monroe
since I was 12 yrs old & present. I'm
going to raise my children here now
like I grew up. Monroe is a beautiful
town & has gorgeous wild life &
Surrandings. Monroe woodbury school
district is fantastic from my experience
also for my children.

Now we are facing a
proposed 507 acre Annexation, this
defently will cause more sewer
traffic, higher taxes, overcrowding etc.
The land we have is just beautiful,
for our community & don't want it
to be effected in all of us.

Please rethink this whole
issue on how it will effect all of
us & everyone around us. Monroe
is the town I love & always will.

Sincerely,

Dawn VanTassel
