

Scoping Outline / Preliminary Draft  
Proposed Annexation to Village of Kiryas Joel

**I**

**A Project Description:**

Produce a list of Petitioners and the Landowners and persons who have petitioned for annexation into the Village (**Address and Section-Block-Lot numbers**)

**B Project Purpose, Need and Benefits**

4. Economic benefits of the action. **To Whom and list of same**

**C Approvals Needed**

**Need the development proposals submitted by the annexation petitioners**

**II**

**A. Land Use and Zoning**

**c. Who will review and evaluate the County Land use plan and municipal comprehensive plan (is there one for the Village)??**

**B Demographics and Economics**

1. d. Existing tax revenue sources involving Kiryas Joel School District?? **Special Education separated?? Please Explain**

2. d. Assessed property values **(open for public to see and understand present and future??)**

**C Community Services and Facilities**

1.a. Police Services **(plan for local police force or continue to use New York State Police???)**

**D Traffic and Transportation**

1. c. A need for a traffic light at the intersection of Route 208 and Mountain Road! And maybe Bakertown and County Route 105!

1.d. **Physical counts or a metered count for long period of time??**

2. c. d. e. f. very important

3. a. Mitigation Measures **(consolidate the town's dial-a-bus with village of KJ???)**  
**KJ goes to Walmart, Woodbury Common, etc.**

**E Community Water and Sewer**

1.b. Why the Town's ability to provide water?? No Town water system in place there now!!

1.f. Status of Village's or Town's ability to provide sewer service!! **Should it not be County's ability, not Town's??**

**III**

**Should be a full SEQRA review and not just a short form (explain why not)!!**

**IV. Side by side lists of with or without potential adverse environmental effects!**
